This template can be used for multiple purposes:

- It enables schools to effectively plan their use of the Primary PE and sport premium
- It helps schools to meet the requirements (as set out in guidance) to publish information on their Primary PE and sport premium
- It will be an effective document to support Ofsted inspections enabling schools to evidence progress in Physical Education (PE) and evidence swimming attainment, which forms part of the PE National Curriculum. We would recommend schools consider the Intent, Implementation and Impact of any spend, as examined within the Education Inspection Framework.

It is important that your grant is used effectively and based on school need.

Schools must use the funding to make **additional and sustainable improvements** to the quality of the PE, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and sport premium to:

- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years
- Develop or add to the PESSPA activities that your school already offers.

The Primary PE and sport premium should not be used to fund capital spend projects; the school's core budget should fund these. Further detail on capital expenditure can be found in the updated [Primary PE and sport premium guidance](#).

The Primary PE and sport premium guidance, outlines 5 key priorities that funding should be used towards. It is not

necessary that spending has to meet all the key priorities, you should select the priorities that you aim to use any funding towards.

Although completing this template is not a requirement for schools, schools are required to publish details of how they spend this funding. Schools must also outline what the impact this funding has had on pupils' PE and sport participation and attainment and how any spending will be sustainable in the future. **All funding must be spent by 31st July 2024.**

The Department for Education has worked closely with the Association for Physical Education (afPE) and the Youth Sport Trust (YST) to develop this template and encourages schools to use it. This template is an effective way of meeting the reporting requirements of the Primary PE and sport premium.

Review of last year's spend and key achievements (2022/2023)

We recommend you start by reflecting on the impact of current provision and reviewing your previous spend.

KI 4

- Edge Hill PE students and Teaching students providing lunch clubs across the year groups and also supporting with after school clubs which has allowed some of the activities to be opened up to KS1 and KS2.
- Year 6 sports leaders – support with different classes during lunch time.
- Purchased equipment and resources to offer access to new sports/physical activities as relevant both in lessons and at lunch times.
- SEND opportunities available throughout the year Inc the KS2 learning and discovery festival participation which allows SEN children to engage and practice in a range of sports and activities.
- Sports on the MTP and LTP tweaked to cover sports and activities that haven't been done for a while to help with variety and coverage.
- Possibly a member of staff from S4K to deliver a cheerleading or dance club.
- Chance to Shine cricket organized for May 2023 to deliver taster sessions to KS2 children.

- Extra-curricular clubs with S4K coaches (before and after school) include multi-Sports, dodgeball, rounders, football, rugby, multiskills etc.
- Registers to show number of children participating in extra-curricular activity each week
- New equipment purchased to support with the teaching and learning of PE and sports day e.g., Egg and spoons, bean bags, hoola hoops, cones etc

- Monitoring the roll out of the new timetable for football and equipment box days on the yard at lunch time for children.
- New PE Mats for gymnastics are still on the list to be purchased in some way as the quality of the other ones in the hall aren't really up to standard.
- New clubs such as cheerleading or dance organized to offer even more of a range to children; especially girls.

KI 5

- When possible, run intra-house competitions within classes i.e. Y4 and 5. Edge Hill PE students have been running mini tournaments within classes.
- Continue to enter Level 2 competitions in various sports.
- transport to and from competitions – This is currently being done through staff and parents taking children.
- Contribution to SHAPES organisation to help with the cost of running competitions across St Helens.
Taking part in the Pilkington Recs rugby tournament with other schools in St Helen's in collaboration with Saints

- Sports Day and intra-school competitions engaged whole school in Level 1 competition.
- Record of inter-school competition.
- Evidence displayed for inter-school and intra-school competitions on Twitter where parents have engaged by liking and commenting.
- 'Gold' School Games Mark awarded 2021-2022. Same aim for 2022-2023.

- Continue to organise level one and level two competitions for each term.
- Evidence to be displayed for inter-school and intra-school competitions on sporting achievements wall and newsletters.

All children with SEND engage with PE lessons.</p> <p>MS has been running the 'active kids' clubs to encourage more 'inactive children.' We have also entered more celebrate tournaments to allow for a range of pupils to be able to engage with competitions and sports.</p> <p>Since carrying out the pupil voice within the school council/forum, children have had a much bigger offer of extra-curricular clubs which have been selected and voted on by the children themselves.</p> <p>Sporting achievements are now updated and display through the new school Facebook page.</p> <p>Since carrying out the pupil voice within the school council/forum, children have had a much bigger offer of extra-curricular clubs which have been selected and voted on by the children themselves.</p> <p>We created a yearly plan/map of the extra-curricular clubs we were offering and made this available to parents to ensure they could prepare for the choices and decide on the clubs they wanted to engage with.</p> <p>Good feedback from children about sports day. Clear that children enjoyed it and they could talk lots about</p>	<p>Over 80% of children took part in a tournament/competition across the year of 2023-2024.</p> <p>Think the option of offering a day in lieu has really encouraged staff and has allowed there to be a much bigger offer for our children.</p> <p>Sports day considerations for next year – the children would like to incorporate new races into the events such as the three-legged race or sack races. They also expressed how much they wanted the podium back.</p>

<p>Key indicator 3: Increased confidence, knowledge and skills of all staff in teaching PE and sport</p> <p>Teachers to have an increased awareness and confidence in the delivery of the PE curriculum.</p> <p>Develop an efficient and practical assessment system which doesn't impact too much on workload.</p> <p>Planning documents available for all to access</p> <p>Vocabulary displayed and referred to</p> <p>Key indicator 4: Broader experience of a range of sports and activities offered to all pupils</p> <p>Children are given the opportunity to engage in a broad range of extra-curricular activities (including lunchtime, breakfast club and afterschool club) – Which may include clubs to aid mental health, healthy lifestyles and wellbeing but specifically not physical activity.</p> <p>PE equipment purchased to enhance and encourage physical activity on the playground during lunch.</p> <p>Key indicator 5: Increased participation in competitive sport</p>	<p>it.</p> <p>Some teachers have been teaching their PE slots and so have more confidence and experience than others.</p> <p>Assessment spreadsheet used this year with RAG rating for each objective. Developed and utilised by MS.</p> <p>Children can use and remember the vocabulary they have learnt for most sports.</p> <p>Since carrying out the pupil voice within the school council/forum, children have had a much bigger offer of extra-curricular clubs which have been selected and voted on by the children themselves. This includes both active and inactive clubs.</p> <p>Purchased plenty of playground equipment, boccia sets, discuss sets and now also have brand new set of class gymnastics mats that are better quality and 1 between 2.</p> <p>We enter lots of competitions across the year – both competitive and non-competitive. Most children have had the change to be involved in tournaments.</p>	<p>Primary PE Planning been purchased for September 2024. This has videos and demonstrations which can help assist teachers with the delivery of the curriculum.</p> <p>Primary PE Planning has its own assessment tracker and tool. I have received CPD on how to complete, use and analyse this data.</p> <p>Primary PE Planning logins organised ready for teachers to access and use to prepare for September.</p> <p>Primary PE Planning scheme has progression of vocabulary per year group which we can print and refer to during lessons.</p> <p>Need further work on inter-school competitions.
